

Presentation Peer-Assessment

Directions: Rate the group's performance of each task on a scale of 0-4 using the following criteria:

4	They understand the task and perform it with ease and excellence.
3	They seem to understand the task but are somewhat inaccurate in their presentation of the task.
2	They tried to complete the task but need some more guidance.
1	They tried to complete the task but really do not seem to understand it.
0	They did not try to complete the task.

Group's Topic: _____

_____ The visual presentation (PowerPoint) had no grammar, spelling, or capitalization mistakes.

_____ The oral presentation (the members speaking) had no grammar, spelling, or capitalization mistakes.

_____ The presentation contained at least two sources that were credible.

_____ The presentation contained at least two pictures.

_____ The visual presentation (PowerPoint) was clear and easy to follow.

_____ The verbal presentation (the members speaking) was clear and easy to follow.

_____ The group members did not just read from the slides, but rather elaborated on their points.

_____ The group clearly explained their topic.

_____ The group did not plagiarize.
